Small and Smaller Blessings Christian Preschools ignite the love of learning in every child. Our developmentally appropriate environment encourages children to explore and experiment, create and construct, form friendships and imagine a world of their own. Our joyful and respectful interactions embolden positive relationships between children, teachers, families and the community, while sharing God’s light and love.

In Nevada, children may enroll in kindergarten if they turn 5 before the first day of school. Placement in our preschool/pre-k classes is based on the current kindergarten start date of August 15.
