

Small Blessings Preschool

## School Supply List

Preschool is a busy place! Many supplies are needed on a consistent basis. Below is a suggested list of supplies. If possible, please send your child with each of these items for us to store and use as needed.

1. Disinfectant wipes (Clorox, Lysol, etc.)
2. Baby wipes
3. Glue sticks
4. Copy paper
5. Construction paper
6. Dixie cups (3-5 oz)
7. Roll of paper towels

We may need other supplies as the year goes on, or specific things for fun projects. We'll let you know via newsletters. Thank you!!

## Snack Ideas

We ask that each family bring a snack to share with the class four times a year. Please bring enough for your child's entire class. (ask Ali if you need numbers 😊)

When donating snack, please choose items from the following list (or other healthy choices) in order to provide healthy snack items to our students. We will serve water with our snack daily.

Thank you!!

Veggies, cut up into sticks; can include "dip" like ranch dressing

Fruit, small apples, oranges, bananas, melon, grapes, plums, etc.
